who was paul of tarsus radical visionary of a new age gender liberating progressive great defender of orthodoxy in remembering paul benjamin l white offers a critique of early christian claims about the real paul in the second century c e a period in which apostolic memory was highly contested and sets these ancient contests alongside their modern counterpart attempts to rescue the historical paul from his canonical entrapments white charts the rise and fall of various narratives about paul and argues that christians of the second century had no access to the real paul through the selection combination and interpretation of pieces of a diverse earlier layer of the pauline tradition christians defended images of the apostle that were important for forming collective

identity

the legacy of paul looms large in all christian theology while the study of paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of paul s letters within their historical matrix the work theology of paul the apostle is presented in two parts part one paul s eschatological gospel addresses matters relevant for paul s appreciation of the gospel of god in the establishment of the eschatological community in christ paul s judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a greco roman world part two cross and atonement examines a perennial storm center within paul s theology from both an exegetical and developmentally historical perspective paul was embraced by the gospel of god in christ the resurrection being the turning point of the ages while paul s theology and the understandings of paul must be established point by point paul s theology has continuing relevance within the very different matrix of a postmodern world

it is sometimes easy to forget that the books of the bible are not really books at all but individual documents composed in a wide array of literary genres this clear concise and accessible text on the pauline letters orients beginning students to the genre in which paul writes the book compares and contrasts paul s letters with ancient and modern letters revealing the distinctive conventions forms and purposes of paul s epistles it focuses on the literary genre of the letter in ancient greece and rome providing an overview of subjects strategies and concerns of immediate relevance for readers who wish to understand paul in his ancient context discussion questions and sidebars are included

can the real paul the apostle live again in a postmodern technological age paul s ministry stood at the very headwaters of the christian gospel surrounding jesus of nazareth his letters are the earliest documents contained in the new testament the current work calls upon the reader to actively engage paul in his context rather than to affirm the assumed theological paul of later christian orthodoxy the reader is thus invited to walk with a more real paul as he may be imagined from the sources we have to think paul s thoughts with him through his letters and to more fully experience the gospel of god that paul knew and proclaimed paul was a man in christ directly called by god to announce the gospel of god to both jew and gentile in the midst of a world ruled by rome he did so through two major campaigns rather than three missionary journeys he wrote pastoral letters to real first century churches the real paul did not write theology but he rather proclaimed a gospel to a world in search of a soul

in this one volume commentary a multiethnic team of scholars holding orthodox christian beliefs brings exegetical expertise coupled with a unique interpretive lens to illuminate the ways social location and biblical interpretation work together these diverse scholars offer a better vantage point for both the academy and the church
